How to Delete Your Lend Love™ Account

Effective Date: **[DATE TO BE INSERTED]** Last Updated: **[DATE TO BE INSERTED]**

Overview

Lend Love makes it easy to delete your account and your personal data whenever you choose. This page explains how to delete your account, what data is removed, what we are required to keep by law, and how long the process takes.

You can delete your account in two ways:

1. **From inside the mobile app** (fastest)
 2. **From this web page** (if you no longer have the app installed)
-

Option 1 — Delete From the Mobile App

This is the fastest way. Your account is deleted immediately and you are signed out.

Steps

1. Open the Lend Love app on your phone.
2. Sign in to the account you want to delete.
3. Tap the **Profile** tab at the bottom right.
4. Tap the **gear icon** in the top right to open **Account Settings**.
5. Scroll to the bottom and tap **⚠ Delete Account**.
6. Review the disclosure of what gets deleted and what is retained.
7. Type the word **DELETE** in the confirmation field.
8. Tap **Delete my account permanently**.
9. Confirm the second prompt.

That's it. Your account, personal data, and signed-in sessions on every device are removed within seconds.

Option 2 — Delete From This Web Page

Use this option if you no longer have the app, can no longer sign in, or simply prefer to handle the request by email.

Steps

1. Send an email from the email address on your Lend Love account to:
 support@lendlovelc.com
2. Use the subject line: **Account Deletion Request**
3. In the body, include:
 - Your full name on the account

- The email address linked to your Lend Love account
- (Optional) The reason you are leaving — this helps us improve the Service

4. Send the email. We will reply within **3 business days** to confirm the request.

5. We will verify your identity (we may ask a question only the account owner could answer) and then delete the account. You will receive a confirmation email when the deletion is complete.

We will complete every web-based deletion request within **30 days** of receiving it, as required by law.

What Gets Deleted

When you delete your account, we permanently remove:

- Your **profile information** — name, email, phone number, home address, date of birth, occupation
- Your **identity-verification (KYC) documents** — government ID, selfie, proof of address
- Your **profile photo** and any signatures you uploaded
- Any **saved payment methods** (tokens revoked with our payment processor)
- Your **push notification tokens** (you will not receive further notifications)
- Your **chat message contents**
- Any **support tickets** older than the active resolution period
- All **active sessions** on every device

What Is Retained (and Why)

By law we are required to keep certain records even after you delete your account. These records are **anonymized** — your name is replaced with "Deleted User" and personally identifying details are removed.

Record	Why we keep it	How long
Loan records	US lending recordkeeping law	7 years after the loan is closed
Signed loan agreements	Required for legal audit, with your name redacted	7 years
Transaction history	Tax and regulatory reporting (IRS, FinCEN)	7 years
KYC documents	Anti-Money-Laundering / Bank Secrecy Act	5 years after account closure
Audit log of administrative actions	Regulatory compliance	7 years

These records cannot be retrieved or used to identify you personally. Once the retention period expires, they are also securely destroyed.

How Long Does Deletion Take?

Method	Time to delete
In-app deletion	Immediate — within seconds of confirming
Email request	Up to 30 days (usually within 3 business days)

If you do not receive a confirmation email within 30 days of submitting a web request, please contact us at support@lendlovellc.com and we will investigate.

Outstanding Loans

If you have an **active loan** (either as the lender or as the borrower) on the platform when you request deletion:

- Your **profile and personal information** are anonymized as described above.
- The **loan itself remains active**. You and the other party are still legally bound by the signed agreement. Lend Love is not a party to the loan and does not assume your obligations.
- We will continue to provide the other party with the information they need to honor or enforce the agreement.

We strongly recommend you close out any active loans before requesting deletion. If you cannot, please disclose the loan in your email and we will coordinate with you and the other party as appropriate.

After Deletion

- Your email address will **not** be reusable on Lend Love for **30 days** after deletion — this protects against accidental sign-ups during the wind-down period.
 - You may create a new account after that 30-day window with the same email, but the new account will be entirely separate and will not retain any history from the deleted one.
 - Marketing or transactional emails will stop within 24 hours of deletion.
-
