9.4 Account Deletion — What Gets Deleted vs. Retained

When you delete your account, we:

Delete:

- Profile information (name, email, phone, address)
- KYC documents (after the 5-year AML retention period)
- Profile photos and signatures
- Saved payment methods (tokens revoked with payment processor)
- Push notification tokens
- Chat message contents

Retain (anonymized):

- Loan records — required by federal lending law for 7 years

- Signed agreements with your name redacted — required for audit
- Transaction history — required for tax and regulatory reporting

This balance allows us to honor your right to deletion while complying with mandatory recordkeeping obligations.

The Service is **not** intended for individuals under the age of 18. We do not knowingly collect personal information from anyone under 18. If you believe we have collected information from someone under 18, please contact us at support@lendlovellc.com and we will delete it promptly.

12. Notice of Financial-Information Practices (Gramm-Leach-Bliley Act)

As a financial-services platform, we are subject to the Gramm-Leach-Bliley Act ("GLBA"). We collect and share nonpublic personal information only as described in this Privacy Policy and only as permitted by GLBA. You have the right to opt out of certain sharing — though most of our sharing falls under permitted exceptions for processing transactions, regulatory compliance, and security.
